

# TOOL LOANS AND DONATIONS!

Hey neighbor, in addition to your help, these are some of the tools that we need for build day. Please call our Tools Coordinator to review the tools that you would like to loan or donate. Then drop the tools off at the park the weekend before the build. Here are the details:

**When:** Sat & Sun 9/25 – 9/26 9am – 6pm  
 Mon & Tue 9/27 – 9/28 5pm – 7pm

**Where:** Moss Beach Park - Tool Sheds

**How:** Receipts with a list of each item you loan will be given. Every item you bring will be tagged with your receipt number so that we may return all your items at the end of the build.

**Contact:** Theresa MacNaughton - 563-9739 or the\_macs@sbcglobal.net

**Please Note:** There is a contingency fund for any broken or lost tools. Your tools will be returned in the same or better condition!

## Loaned Items:

1/2 inch drills, variable speed, reversible
